Free experiences for any Vermont
high school student.

Planes & Rockets A Day at G.S. Precision, Inc.

October 23rd or November 6th, 2025
9:00AM – 3:00PM

*Offered on two different dates; choose one date,
with sessions filled on a first-come-first-serve basis.*

at G.S. Precision, Inc.

101 John Seitz Dr, Brattleboro, VT 05301

Get a behind-the-scenes look at what
engineers and technicians do at one
of Vermont's premier aerospace and
aeronautical manufacturing facilities.

Spend the day touring the facility,
participating in a case study of an
actual manufacturing engineering
challenge, and connecting with the
G.S. Precision employees who work on
projects for the Department of Defense
and companies like SpaceX.
